Log onto Mathletics (20 mins)	Number Count to 20 Count backwards from 20 Worksheet: Fill in the missing numbers to 20 Mother's Day Complete the Dear Mum/Gran worksheet (hopefully you can do this with a big person - not Mum so it's a surprise)
Break		Break	Break	Break	Break
Afternoon	Ask a parent/caregiver where your family originally came from. Have them help you locate the country on a World Map. Complete the worksheet 'I am proud of my background'.	Science Look around the house and find some small objects ie. paper clip, tooth pick, sticky-note, button, etc. and label using the 'Material Labels' sheets. Students pick one object and write a sentence about why the object might be made out of that material. Fill out the 'What's It Made Of?' worksheet for two of your objects.	Creative arts Dance - Use different parts of your body to move to music. (See below) Discuss the different ways you could move. You may make a video of yourself moving to music and send it to your teacher on Seesaw.	PDHPE Movement Skill: Hop Play hopscotch on a path or concrete. (See below) How can washing your hands be important in keeping you healthy? With an adult, explore foods in your pantry or at the shops. Draw a picture of some foods that help to keep you healthy. Label the foods you have chosen. Discuss why you have chosen these particular foods with an adult.	Friday Fun! This is your afternoon to enjoy something with your family (kind of like Developmental Play): get out the Lego, cook something together, play a board game or build something with blocks. Your choice!

Movement Skill - Hop

Begin by practising your balance by lifting one leg off the ground, put your arms out to balance yourself on one foot.

When you hop you use this same position but move or hop whilst keeping one foot off the ground.

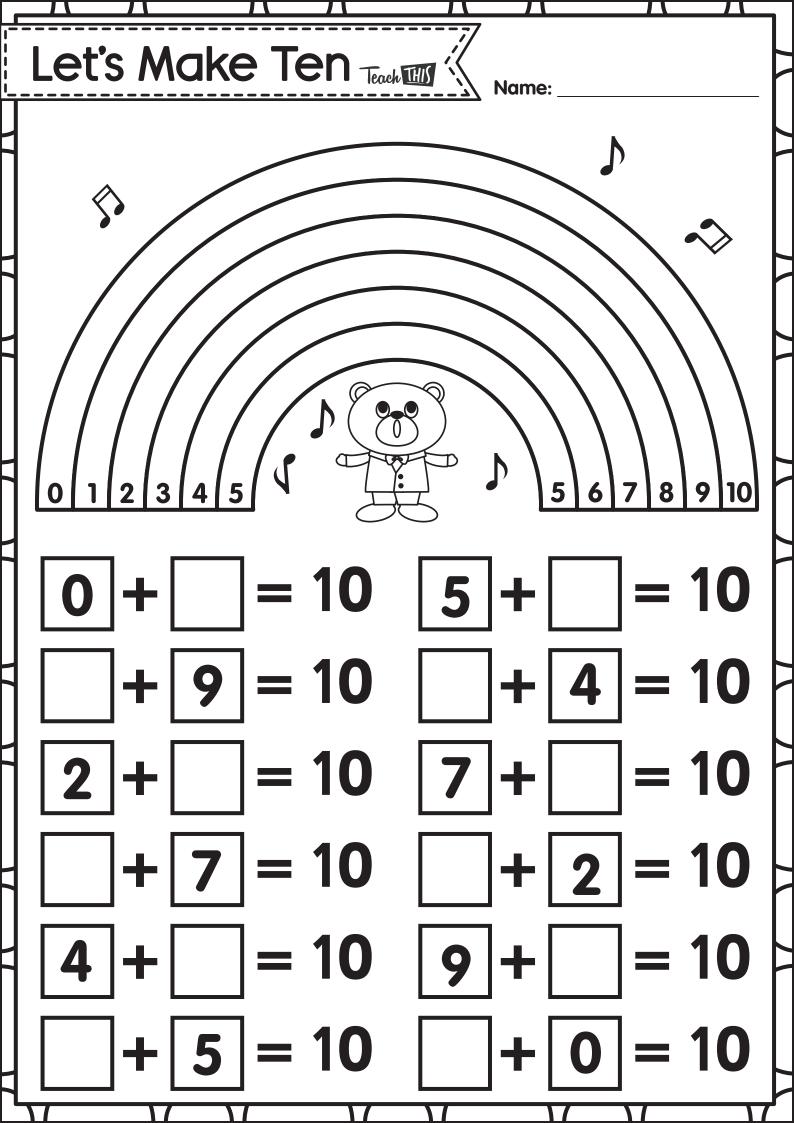

Draw a hopscotch grid with chalk on a concrete area.

Practise hopping and counting.

Dance - Using body parts.

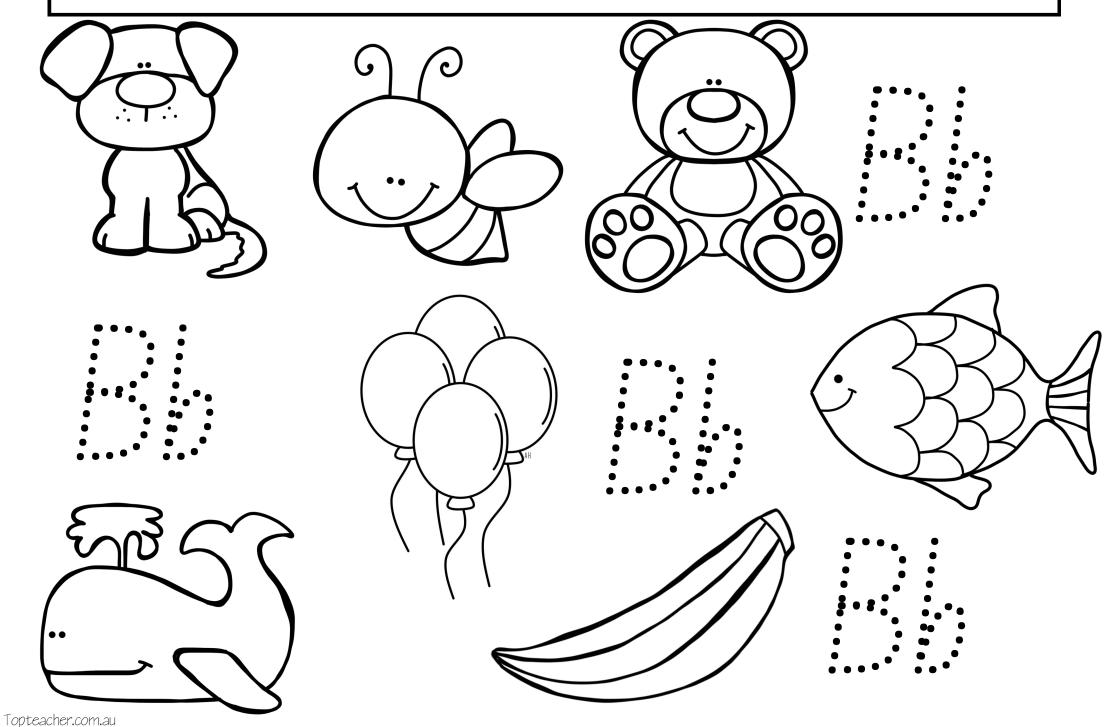

Play a game of 'Hokey Pokey' using the different parts of your body to 'put in' or 'put out'. How can you move just your hand or your leg? What happens when you move different body parts all together?

My mum can run and jump.

Name: _____

Trace the Letter Bb's and circle the pictures that start with 'Bb'.

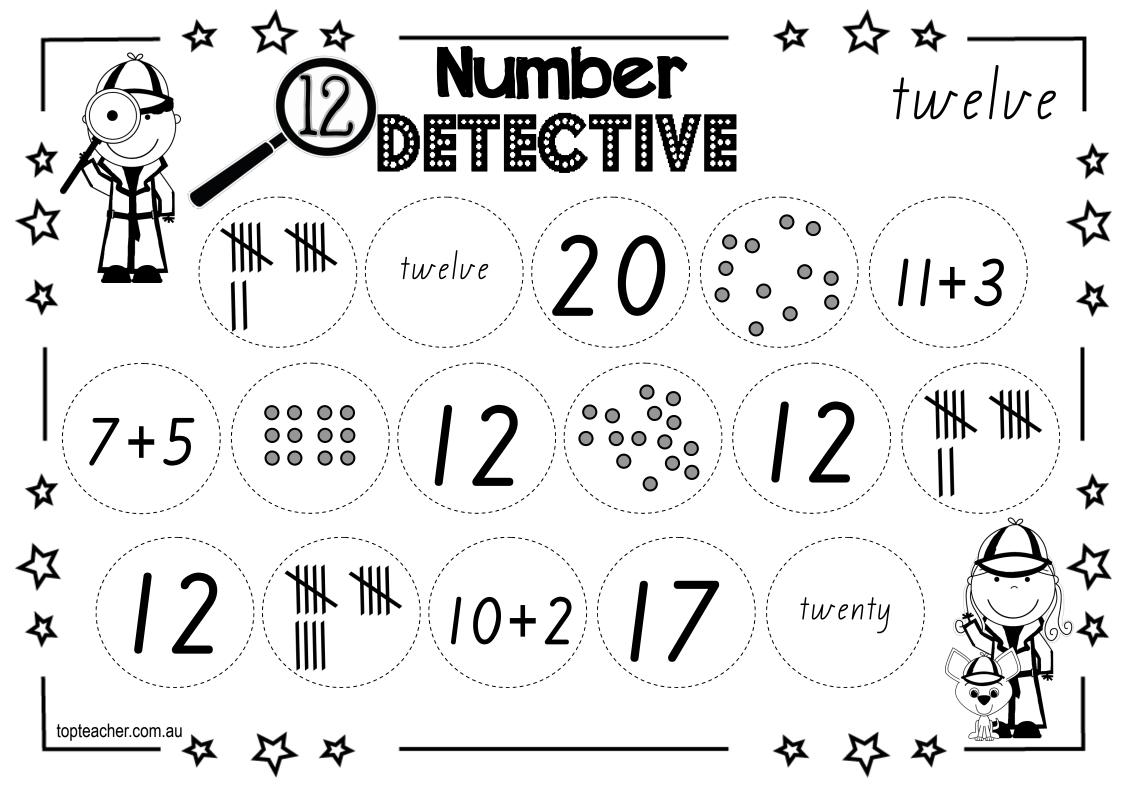

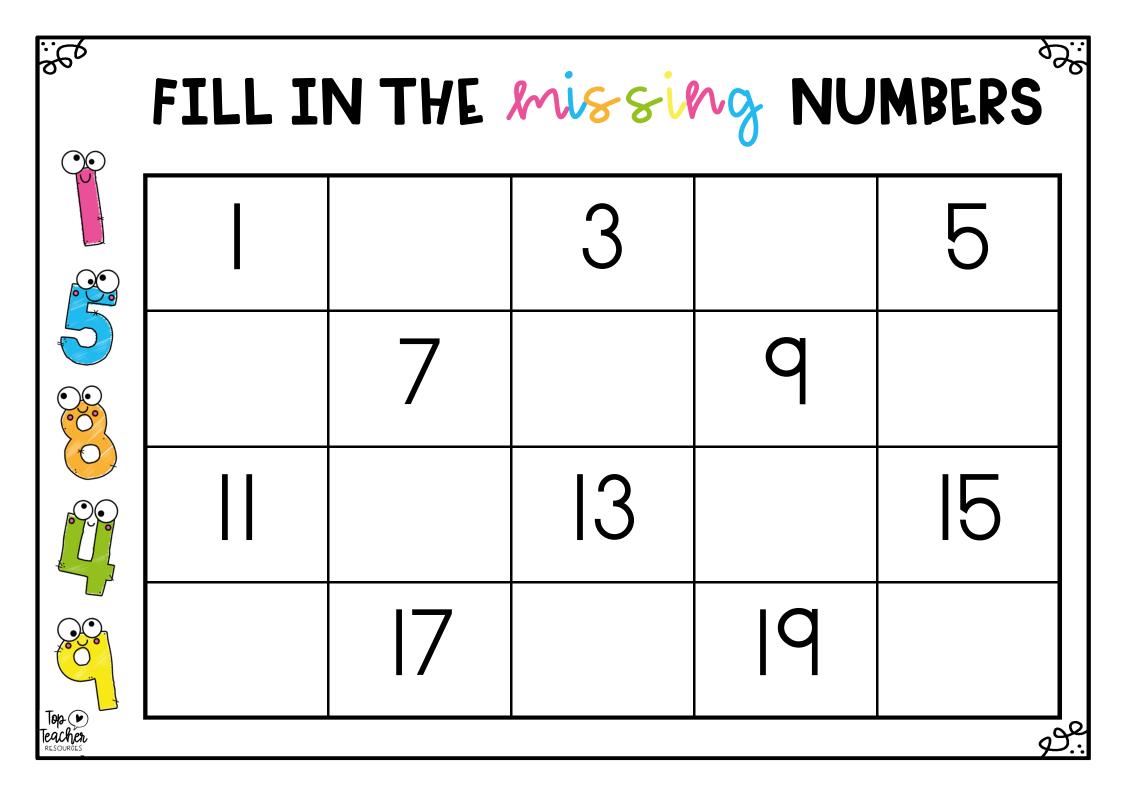

Alphabet Adventures 1 - following the Bo

pictures that begin with the 'b' sound.

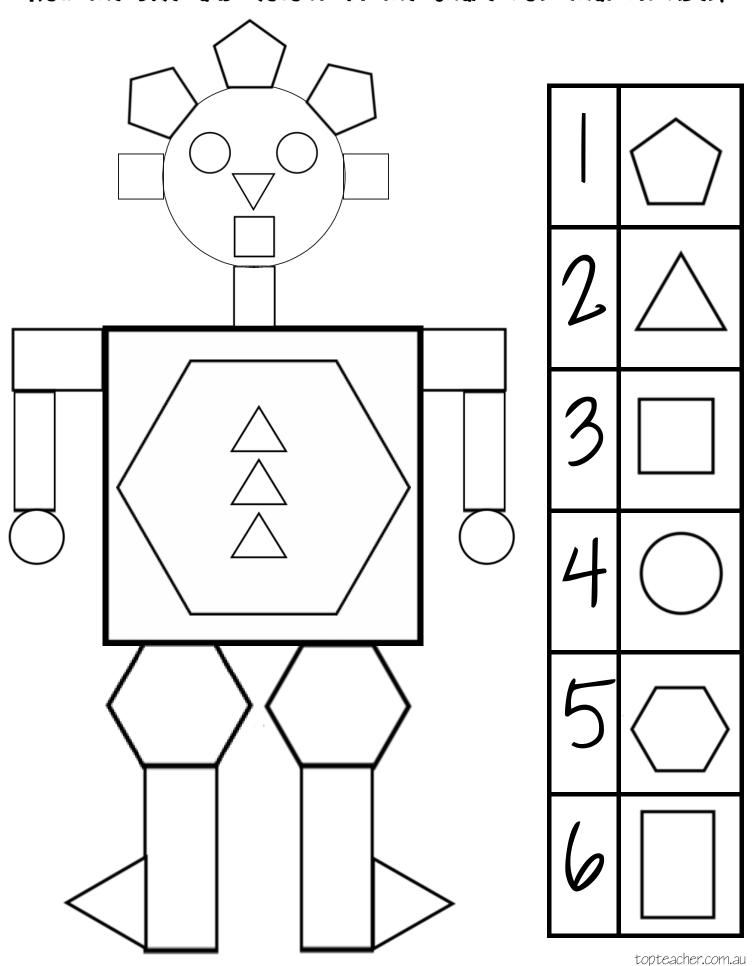

START			ICHAN (MI)
