## Principal's Report

A wonderful time was had by our year 5's and 6's at camp last week. The weather was fantastic and was matched only by our student's outstanding behaviour! It was a wonderful opportunity for me to spend time with these students outside the regular classroom before they move on to high school and I enjoyed interacting with them as they pushed themselves to try new experiences and go beyond what they thought they could do. Some of the activities were very challenging and yet they found the courage to face these challenges. I hope over the next days and weeks they share some of the experiences and fun times they had and thank their parents for the opportunity to attend camp.
