Principal's Report

Year 3 and 5 have been busy with NAPLAN this week and I commend them on their diligent approach to these exams.

This week sees more building works with a new roof being put on the Old Office and on the Kanga's classroom. Both these rooms were significantly affected during the heavy rain period last term so it will be fantastic to have this work completed.

I wish to extend a very big thank you to the P&C, and to Chrissy Wursten in particular, for their efforts in putting together the Mother's Day stall last week. Our students really enjoyed being able to select gifts for their Mums. Chrissy also ran Art Club single-handedly last week and did a lot of preparation in order that all students were able to make a Mother's day card. Thankyou Chrissy.

We are so fortunate to have so many willing and giving parents.

Students just need to ensure sensible shoes for playtime. Funds raised will go towards our goal of getting soccer goals for the playing field.
