Principal's Report

Another week and another bit of good news! Written communication has been received notifying us that we will be allowed to keep our demountable building.

This is welcome news when we rely on the availability of this building for our after school programs as well as providing an extra educational space and a warm, sheltered, indoor play space on cold, wet windy days.

A big thank you to the P&C for their action to communicate the need for this building to our Regional Director. The parent voice is always well respected.

A wonderful way to end the term!

Life Education Van

The Life Education Van will be visiting our school on Friday 20th July. A note is attached to this newsletter.

A parent session has been scheduled for 12:30pm- 1:30pm on this day. This is a great opportunity for parents to learn about what their children are taught in the Life Ed van and ask questions. If you are interested in attending please complete the expression of interest and return with your child's permission slip.

Term 3 Sport

Back by popular demand we are fortunate to have Kevin Murphy coach tennis for sport. our students in Lessons will be delivered in two sessions of 45

minutes each. Cost for the term will be \$50 per child. Thanks must go to the P&C who have contributed funding to this programme which reduces the cost by \$20 per child to a total of \$30. We would prefer this payment as a lump sum of \$30 at the commencement of Term 3 but will also accept weekly payments of \$3 per child.

Book Week

We will be celebrating Book Week with our ever popular Book Character Parade on 23rd August.

All students are invited to come dressed as a character from a book. This is not meant to be a costly exercise. We encourage students to be innovative, recycling and adapting items from home. This is a great opportunity to start a holiday project, creating your costume! There is a treat for all who participate and prizes for the best costume from each class.

Opera House Recorder Students

A CD is going home today which has audio recordings of Miss A playing the songs that the students need to practise for the Opera House Instrumental ensemble. Miss A has also included the sheet music with the note names written on. Miss A would like to encourage all her students(Finlay, Riley, Jarrod, Tyson, Kody and Keenan) in this group to practise daily in the holidays using the audio files and the sheet music.

A reminder also that tickets for the Jacaranda Concert go on sale on 18th July. You are advised to get in early as these tickets sell out fast.
