Term 4 - Week 7

Relieving Principal's Report

We are nearing the end of the year, with only four weeks until we are finished. There is a lot of talk about end of year activities at school, and students are getting excited with the knowledge that Christmas and a long break are not far away.

Don't forget that Swim Scheme begins next week, and runs for ten consecutive school days. Please be mindful that students will be extremely tired with these lessons along with their regular classroom lessons each day.

If you haven't returned permission notes and money, please do so this week.

Community Coach Training Day

Our Active After School program has been sustainable because of the wonderful parents who have completed the training and fulfilled a seven session stint this year as an after school coach. Some of the sports that have been part of our program have been cricket, tennis, soccer, basketball and hockey.

If you have a particular sport you have some skills in, or if you enjoy sport in general, why not consider attending our community coach training day on **1st February, 2014 here at school starting at 11am** and become a community coach for Tallong Public School. Prior coaching experience is not necessary.

This is a paid position with coaches receiving approx. \$40 each afternoon for 7 consecutive

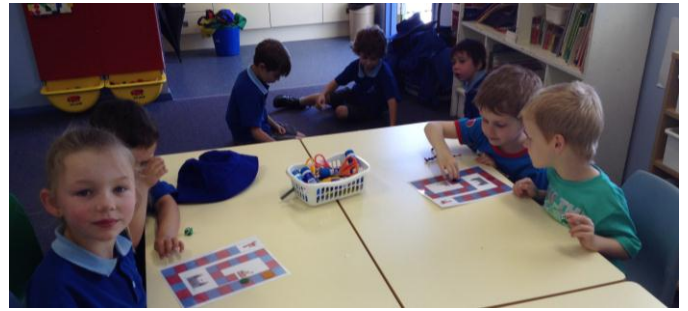

weeks in a term. We only ask you to commit to one term in any year but you are welcome to do more if you wish and a teacher is with you throughout the session to provide supervision and manage student behaviour.

Comprehensive resources are provided to you as a result of training and the school provides all necessary equipment.

If you are interested, please complete the form you received with last week's newsletter and return it to the office. From there, just come along to the training day on 1st February and get involved in this wonderful program.

A huge THANK YOU to Nina O'Leary for her patience and expertise in Art Club over the last six weeks. Students were involved in sculpting pigs and trucks (among other things) out of papier mache. Everyone got in and had a really good go. Here are some photos of what was made...
