Principal's Report

Last week was Education Week and following on from our well attended Open Day, the 3-6 class performed at the Goulburn Community of Schools Choral Concert. I was so impressed with the behaviour and participation of our students at this concert and was a very proud Principal on Thursday night at the performance. Thank you to all the parents who attended and supported this concert.

Thanks also to Miss A for her preparation of our recorder players who performed an extra item on the night. They were amazing!

We finished the week with a very successful NRL Gala day. A big thank you goes to our P&C for their organisation and running of the canteen on the day. Thank you to all the parents who also came and supported this day.

Inter - School Soccer Match

Our soccer team played a great game against the combined Wingello/Penrose team last Monday. We were very grateful to have Mr Randall assist with the team on the day. The team were at 2-2 at half time but came on in the second half and scored repeatedly to finish the game with an 8-2 win over the visitors. Thank you to all the parents who came to support the match and provide half time oranges and a huge thank you to Jeremy Porter for marking the field, providing the soccer nets and for refereeing the game. We really appreciate your efforts to make this inter-school match a great success.

District Athletics Carnival Results

On the 26th July, several students competed in the Wingecarribee District Athletics Carnival with some fabulous results.

NEWS FROM THE LIBRARY

Week 6 this term is Book Week. During Library lessons on Thursdays we are enjoying looking at the picture books which have been shortlisted for this year's Children's Book Council Awards. The students will be voting for their favourite book and we'll find out whether we agree with the Book Council's judges later in the term. Please join us on **Wednesday, 21st August** for our **Book Week Parade**. Every student is encouraged to dress up to represent a favourite book character or to represent this year's theme of "Read Across the Universe". We're looking forward to an enjoyable morning to celebrate the wonderful universe of books and reading!

New Drive-thru Procedure

As of Monday 5th August, we will have a new morning and afternoon procedure for those parents that utilise the drive-thru option when picking up and dropping off children at school. Due to the large volume of vehicles in these peak times, we will swap around the 'in & out' signage in the car park.

This will leave the parking bays more accessible in front of the school for those parents that park and come in to collect their children.

NRL Gala Day

A fabulous day was had last Friday at Eridge Park where the small schools in The Highlands gathered for a rugby league day. The students were treated to players from the West Tigers delivering skills and modified games to our students. They also learnt about healthy lifestyle tips and an anti-bullying message was

also delivered. Students from Moss Vale High School assisted on the day and did a great job. Our P&C ran the canteen and were kept very busy throughout the day.

A big thank you to Chrissy Wursten, Jeremy Porter, Kelly McKellar, Helen Field, Lynn Blazer, Robyn Steward, Beatrice French, Kim Gray and Liz McDonald.
