Puppet Show - P&C Gift to Students

Our fabulous P&C have arranged for the Sydney Puppet Theatre to do a puppet show for all students on the last day of term. P&C will be covering the **full** cost of this performance as their Christmas gift to the students.

The show will be held at the Tallong Hall at 1:30pm and conclude at 2:30pm on Wednesday 16th December.

'The Emperor's New Beat Box' is a joyful and informative journey into story and song. Lix and Chops are musical storytellers. Lix has been collecting wonderfully strange instruments from around the world and is keen to start using them. Chops has bought a new music sensation - the Emperor's New Beat Box, which is the latest in nano MP3 technology, with the coolest music in the whole wide world! Join them on a fantastic adventure touring the world and experiencing all kinds of different instruments and music!

With student participation in rhythm and dance, puppets and a good dollop of fun, who can resist grooving along as Chops 'n' Lix dive deep into the heart of the Emperor's New Beat Box.

A huge **THANK YOU** to our hard working P&C Committee, this sounds like a fabulous afternoon of fun!

What a great way to end the school year!

my space suit

I made my space suit out of boxes, texta, milk lids and sticky tape. I started off with a box and cut it in half and then I got a bigger box. I stuck the box that was cut in half with stick and then I took two of the same size boxes. I stuck them on the bigger box too. Also I cut sticky tape in half and drew two eyes on the sticky tape. I got one milk bottle lid and stuck that on by Jack Ferry
