Term 4 - Week 1

Wednesday 12th October, 2016

Dear Parents and Carers,

Welcome back. I hope that everyone's vacation was restful and relaxing. From the recounts of the holidays that I have been reading, I know that you have done some wonderful things with your children in the past couple of weeks. I have read about your children going to museums in Canberra, to the snow, to staying with grandparents, to going to games expos, to just having fun at home and giving mum or dad a big hug. Thank you Parents and Carers for giving your children a great break.

This term's big events include Kindergarten Orientation, the whole-school Swimming Scheme, Aboriginal Cultural Day, Presentation Assembly and of course The Year 6 Farewell. Teachers will be assessing students and writing end-of-year reports.

There has been a change in staff this term. Mrs Millard made a decision not to continue as librarian and RFF teacher this term. She has been replaced by Maree Ellsworth (RFF teacher on Tuesdays) and Bronwyn Fitzgerald (teacher/librarian on Thursdays).

We have Breakfast Club every weekday morning and Monday to Thursday After School Clubs covered for this term. Please make enquiries at the school office for details.

I wanted to congratulate once again all students and teachers for an amazing school concert. It was a great show.

After School Care - Clubs

Tuesday, Wednesday and Thursdays

We have been very fortunate to secure Lisa Babic to run an after school care art, craft, gardening, cooking etc. club every Tuesday, Wednesday and Thursdays 3:00-4:30pm, Term 4.

A maximum of 12 students can attend and a preference will go to those working families that require after school care. There will be a cost of \$8.00 per student, per week, to be paid directly to Lisa. **Bookings are essential and must be made now through the school office. Maximum participants is 15 students.** We will need to confirm our numbers each week (the day before) with Lisa and if we do not have sufficient numbers, unfortunately Lisa will not attend and provide this service for that day.

Robotics Club

At this stage we are still waiting confirmation from Andrew Picker to run Robotics one day a week. We are hoping to receive this shortly. The cost will be \$10 per session.

**Important
DATE!**

Garden Working Bee

On Sunday 23rd October we are holding a garden working bee on the school grounds. Everyone is welcome to join us for a bbq and some digging, weeding and planting. If you are able to come along and help out we would appreciate numbers for catering purposes.

Kindergarten Orientation

Starting school is an important step for any child. To help families get used to the routine (and fun!) of 'big school', we will be hosting a series of orientation days in Term 4, which are open to all local families so please spread the word.

Parents are invited to an information session and morning tea on 1st November, 2016 while the children participate in fun activities in the classroom with teachers and teachers aides. On the 8th & 15th, parents are invited to walk their child to class and collect them at the designated time.

Tuesday 1st November 9:30am - 11:00am

Tuesday 8th November 9:30am - 1:00pm

Tuesday 15th November 9:30am - 3:00pm

Tennis Make-Up Lesson

There will be a make-up tennis lesson on Monday 17th October. This day was postponed due to wet weather. Please ensure students wear appropriate footwear to carry out their lesson.

School Banking

With the changing over of our school banking co-ordinator, it is extremely important that banking slips are to be completed properly to assist Kerry to make deposits. It will take time for Kerry to learn the kids names and banking numbers. If they are not completed properly, they will not be processed.

Banking day will continue to be Fridays.
