LMBR TRAINING

The Learning Management and Business Reform (LMBR) program is one of the largest public sector business reform initiatives in NSW. Once LMBR systems are implemented they will deliver benefits to both schools and the Department as a whole.

The LMBR program is delivering modern integrated IT systems to better support the many aspects of teaching and learning in NSW Public Schools. The new systems will transform the way we work to provide flexibility, efficiency and sustainability across the Department.

It is not just about technology, but about changing the way we work as a school and as a school community as a whole. In Terms 3 and 4 Mrs Murray and I will be attending a number of training days to facilitate the deployment of LMBR at Tallong PS. The new program will be in place by the middle of Term 4.

COLA

All our preparation for the project to weather proof the COLA is complete and has been submitted to the Education Department. This project has taken longer than we had hoped but the end product will make a safer and more attractive COLA for our students to enjoy.

Mini Olympic Gala Day

The Bong Bong PSSA have organised a Mini Olympics Gala Day on Wednesday 10th August, 2016 at Hampden Park in Robertson. The students will participate in Olympic based tabloid sports and will travel to and from the venue by bus. Could you please ensure your notes are returned by the Monday before so we can confirm student numbers for the bus. If notes are not returned, your child may miss out on this fun activity.

MultiLit

We are calling for volunteers to be apart of the MultiLit Reading Program with our students. A facilitator will be providing training for our parents on Friday 5th August at Tallong School.

If you would be interested in volunteering your time for 2 hours once a week to support students with this program, please contact the office for more information.

Tallong Public School Concert

Thursday the 22nd of September is the night your children will get to show you just how talented they are. The students of Tallong Public School will be presenting their very first school concert at the Tallong Memorial Hall. Doors will open at 5:30pm for a 6pm start. Parents, grandparents, siblings and families are very welcome to attend. Each class will be performing an item as well as additional items performed by our school's dance group. Please see your child's class teacher for additional information regarding class items.
