Term 4- Week 9

Thursday 7th December, 2017

Dear Parents/Carers,

This will be the second last Newsletter for the Year as a final 2017 Newsletter will be issued next week. Please be aware of very important events in Week 10 such as Presentation Assembly, the announcement of 2018 school captains, the issuing of student reports and the Year 6 Farewell.

I want to congratulate each and every student at Tallong PS, for their enthusiasm, talent and dedication as they danced, acted and sang in the school's musical production of Peter Pan. You would agree with me that it was fantastic, entertaining and lots of fun.

Thank you parents and carers who became involved with the creation of props and costumes. They were magnificent. Who will ever forget Mrs Murray's "Jolly Roger", The French Doors created by Jeremy Porter, the pretty toy box and bedhead, were painted by Katie Bennett and Christy Derwent and the crocodile was created by Marie Stauffer. We were very lucky to have had the assistance of Moss Vale HS students who donated their time and expertise to provide lighting effects and a sophisticated sound system.

Thank you to the teachers who prepared the dances for their students.

Ellie Moore

Aboriginal Student Support

Congratulations to Jack Steward who was awarded an educational pack for next year. The pack contains all of the equipment Jack will require for his high school experience— calculator, math tools, pens, pencil case and books. When asked about his pack, Jack replied, "I feel really lucky to have received these things and look forward to using them next year".

On behalf of Tallong Public School, I'd like to thank the Aboriginal Student Support Office for their ongoing commitment to our students.

Positive Behaviour for Success

Peter Pan Production

Talent Show

During the final week of school, we will be hosting our annual Talent Quest. All students will be invited to present their talents to an audience. Students are welcome to bring their own props on the day.

On the completion of the talent quest, students will be invited to participate in an end of year celebration. The party will be held under the COLA with all classes combining together for this occasion.

Boys are asked to provide a plate of savoury foods and girls are asked to provide something sweet. Please ensure any containers that are to be returned home are clearly labelled with your child's name.

The date of the talent quest/party will be advised via school stream early next week.

Look what's coming in 2018...

We will be holding a special Bowls Morning for all students to try and have fun!!!

Official Opening of the Jim Watling

Memorial Walk & Tallong Christmas Party

The community of Tallong were treated with a very special opening of the Jim Watling Memorial Walk & Christmas Party on Sunday. With many official guests attending this special event, we thank the wonderful families who turned up in support of our school. With over 30 of our students attending, some reciting the Acknowledgement of Country and all singing the National Anthem, it was great to see our students involved in this event.

The children and adults were then treated to a delicious lunch along with a very entertaining Magic Show and of course the all important visit with Mr & Mrs Claus.

Thank you to the Tallong Community Focus Group for inviting our school to be a part of this special community event .

Term 4, 2017Week 9
