Dear Parents and Carers

Grade Expectations - Maths Resource

Help your child with maths

Exeter Public School in partnership with Moss Vale Public School have developed a Mathematics support kit for parents.

The parent support kit of Grade Expectations in numeracy is designed to help parents understand what children learn in each grade. At school, teaching is adjusted for the needs of each student. Children who show they have the skills listed in this kit will be working at grade level and assessed as sound.

The parent support kit uses parent-friendly language to explain the skills that children work to achieve by the end of each grade. We hope it empowers parents to help their children, and to participate in their child's education.

We know that every family is busy! The activities here are simple and straightforward.

Any numeracy work you do at home with your child will help them in their learning. Your child's education is a partnership. Let's work together ...

Parents can access the support kit at:

Cricket Selection

Congratulations to Aaron Hague who was selected for the WDPSSA boys cricket squad for the upcoming zone trial on Thursday 1 March.

Star Students

Our star students this fortnight are:

Hayden Martin, Riley Watts, Campbell Cox-Barlow.

These students were drawn from the "spotted being good" ticket boxes and will join me for morning tea at the end of the term.

Swimming Carnival

Well done to all students who participated in this year's swimming carnival. Students should be congratulated on their behaviour and sportsmanship. Congratulations to Elisha Martin & Brody McKellar on making it to the District Carnival. Good luck and we all look forward to hearing your results.

Clean Up Australia (Schools) Day

TPS will be joining many other schools on Friday 2nd March to clean up the school and Memorial Park. The community clean up day is on Sunday 4th March.
