Term 2 Week 8

Thursday 20th June, 2019

## Tallong P.S.

**A nurturing small school environment with caring and committed staff.**

Dear Tallong families and friends,

We are fast approaching the end of Term 2, it has been a very busy but successful term. I would like to take this opportunity to invite all members of our community to our end of term assembly on Friday 5 July at 2pm under the cola. This assembly is showcasing talents of our students and some exciting new initiatives at Tallong Public School.

During the July school holidays Tallong Public School will be apart of the 'Share Our Space' program to enable greater community use of schools. For further information, please see the flyer attached to the newsletter.

Our annual Bong Bong Small Schools athletics carnival occurred at Eridge Park in Bowral. It was a great experience for all children K to 6 as they had opportunities to compete and participate in a range of skill based activities. Tallong finished 3rd over all on points at the end of the day.

Students who came 1st or placed in an event

Brody M	Jack M	Isaac D
Landyn R	Geordie R	Josh D
Hayden M	Riley W	Brianna S
Eleanor H	Dash DW	

Congratulations to these students!

## CLUSTER REHEARSAL

Our last rehearsal for the Acacia Concert was held yesterday at Colo Vale Public School. Students have been working hard to learn the music and improve their cohesion with other members of the performance. Following their intensive training regime of in class practice, at home and at our combined rehearsals they will perform at the Opera House on Monday 29 July. Tickets for this event go on sale Monday 24 June. I want to thank Mrs Mathews, Mrs Abotomey and Mrs Knott for all of their efforts in preparing our students for this wonderful experience.

I am looking forward to watching our students perform at Sydney's iconic venue.

## UNIFORM

The P&C and school are going to collect some data from a survey they will produce and send out to the community about our school uniform. From that we hope to ascertain an understanding if modifications are wanted. The uniform shop is still operational and a reminder if you are after winter uniforms please contact the school so we can organise a time for you to meet with the uniform coordinator. As it is getting colder, if your child is going to wear an alternative jacket can you please align with our blue uniform.

## DEBATING REPORT

Last week, Tallong's debating team had their first competitive debate against Exeter Public School. It was a tight contest and Tallong were successful in the eyes of the adjudicator. This is a great start to our campaign as we have 2 debates still to come in our quest to move to the next stage of the competition.

## MULTICULTURAL PUBLIC SPEAKING

I'd like to wish Josh D, Harland R, Hayden D and Brody M luck for the regional final at Bowral Wednesday next week.

## **NCCD— NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY**

Tallong Public School is in the process of completing the Nationally Consistent Collection of Data on School Students with Disability. An information sheet about this process can be found below. No individual student is identified to protect the privacy of all.

Dear Parents, Guardians and Carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about support provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

year of schooling

category of disability: physical, cognitive, sensory or social/emotional

level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

formally recognise the supports and adjustments provided to students with disability in schools

consider how they can strengthen the support of students with disability in schools

develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Principal
