Term 2 Week 10

Thursday 4 July, 2019

Tallong P.S.

A nurturing small school environment with caring and committed staff.

Dear Tallong families and friends,

This is the final newsletter for Term 2 and the final time it will be officially called Newsletter. We have had lots of entries to rename our newsletter and I will be announcing the winning entry on Friday at our formal assembly. I would like to take this opportunity to invite all members of our community to our end of term assembly on Friday 5 July at 2pm under the cola.

During the July school holidays Tallong Public School will be apart of the 'Share Our Space' program to enable greater community use of schools. For further information, please see the flyer attached to the newsletter.

During the school holidays, a company will be coming in and removing any unsafe branches in designated spots. This will not have an impact on our 'Share our Space' program.

PERMISSION NOTES

We have a busy start to Term 3, can you please return your child's signed permission notes to their class teacher asap.

DEBATING REPORT

Tallong's debating team are on a roll and gaining some momentum moving forward for our last debate of the round robin today. We have won all 4 debates and our team have improved each time, listening to the adjudicators feedback. I am looking forward to hearing about their result today and see if we are successful in moving through to the next round.

UNIFORM

The P&C and school are going to collect some data from a survey they will produce and send out to the community about our school uniform. From that we hope to ascertain an understanding if modifications are wanted. The uniform shop is still operational and a reminder if you are after winter uniforms please contact the school so we can organise a time for you to meet with the uniform coordinator. As it is getting colder, if your child is going to wear an alternative jacket can you please align with our blue uniform.

MULTICULTURAL PUBLIC SPEAKING

Last Wednesday Josh D, Harland R, Hayden D and Brody M participated in the regional public speaking final at Bowral Public School. The boys delivered a prepared and an impromptu speech. It was a new experience for the boys having students from Bowral, parents and teachers making up the audience. Well done boys!

KINDERGARTEN ENROLMENTS 2020

We are now taking enrolments for Kindergarten 2020. Please come into the office and speak with a member of staff or give us a call for further information.

DIGITAL LITERACY

Because innovation occurs so fast in the electronic world, many parents may feel as though they cannot help their children navigate the endless expanse of the Internet. But, even if they do not know everything about every technological advance, parents are a crucial stakeholder in teaching children the safe and healthy use of the Internet. As schools work to discuss principles of online safety in the classroom, parents can reinforce the media literacy educational messages at home and form a powerful partnership for helping children become effective cybercitizens. This week we have shared some fact sheets about apps that your children might be engaging with - **please note the recommended age rating for each application.**

2019 PREMIER'S READING CHALLENGE

AWARDS SYSTEM

Last Tuesday night at the P&C meeting Mrs Matthews and I introduced and gained feedback on Tallong Public Schools new reward and behaviour system. The staff and P&C are very excited about the new wellbeing system which will bring more consistency and highlight positive behaviour. The students have been introduced to the new systems and have had their chance to voice their opinion and are very enthusiastic for this to start in Term 3.

Our awards mascot will be named on Friday at our formal assembly and I will also announce the student who was the winner of the competition and will go down in Tallong history.

You will also notice a few changes and surprises to our formal assembly tomorrow.....

SRC SEMESTER 2

I would like to thank Semester 1s SRC for their valuable contributions to our school and for the collaboration at our 3 weekly meetings. We had discussions about fundraising, ideas for our school and leadership.

Our new SRC for Semester 2 are:

Stage 2 - Jade H, Hayden M, Hunter S, Maddie F

Stage 3 - Geordie R, Jack M, Tom B, Leyla W

LIBRARY MONITORS TERM 3

Thank you to our Term 2 Library Monitors, Geordie and Logan. You have done a wonderful job and they will assist in training the Term 3 Library Monitors. Our new Library monitors for Term 3 are Ollie and Jayden.

PRINCIPAL'S MORNING TEA

This semester the teachers and I have been looking for students who value and show our school expectations all the time. They are great role models for their peers, don't get involved with silliness in the classroom or playground and are happy and motivated learners in all areas of Tallong Public School. At the end of each semester we choose 1 student from each grade to join the teachers and I for a morning tea to be recognised and celebrated for being a great citizen of our Tallong school community. We also invite the parents of each child to the morning tea as well as it is a great honour to be selected! Semester 1 Students are:

K – Dash DW 1 – Eleanor H 2 – Finley H

3 – Hamish R 4 – Jade H 5 – Isaac D

6 – Brody M

NCCD— NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY

Tallong Public School is in the process of completing the Nationally Consistent Collection of Data on School Students with Disability. An information sheet about this process can be found below. No individual student is identified to protect the privacy of all.

Dear Parents, Guardians and Carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about support provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

FORTNITE

Age Rating in
the App Store:
FORTNITE 12+

Fortnite is an online gaming platform allowing up to 100 users per game to drop on to an island/map in the hunt for weapons and equipment. The users then hunt each other down in the hope to become number 1.

Battle Royale mode provided by epic games is free to download and available for everyone. Users have the choice to buy cosmetic items (micro transactions) which allows their character to look unique to others.

Concerns

Users are able to connect with other random users around the world. When holding down 'T' the game will allow the user to chat with any other user. This poses potentially inappropriate contact between users.

Be aware if your child is using your App Store / Google Play Store to play Fortnite they may be able to use the micro transaction function which will spend money off the linked credit card to the account.

How do I report / unfriend another user?

Users can report other users for harassment, inappropriate language, bullying and hacking.

To report

Fortnite recently updated their standard contact interface to accommodate player reports. Just click 'Email Us' and fill out the required fields. After selecting the Product and Game Mode, select Report Player as the Issue Type. This will make sure these reports are routed to the correct team.

A few helpful tips when reporting players:

Make sure to include the player(s) full in-game name, spelled as accurately as possible! If it looks like the player is using unusual or uncommon characters in their in-game name, screenshots are totally acceptable documentation. Speaking of screenshots: screenshots & video are incredibly useful for validation. If you captured

screenshots or videos of the offence, attach them. If you have links to streaming video of bad behaviour, include them!

<http://fortnitehelp.epicgames.com/customer/portal/articles/2843190>

If a user wants to delete a 'friend' within the game they can simply go to the icon on the top right of the screen with the three figures and select the user and click 'unfriend'. There is no way to block a user in the game. If a user is harassing another user they should follow the appropriate steps above to report them.

Make sure you talk to your child about appropriate behaviour whilst they are playing video games. It is never okay to bully or be mean to other players. If your child is getting bullied or harassed make sure they know that they can always come to you or a trusted adult for assistance.

If things get too intense within the game, make sure they know that they can always mute other players or simply leave the game. Your young person also needs to be aware to never disclose personal or private information to other users within the game and to only talk to people about the game itself.

SNAPCHAT

Snapchat is an application which is free to download on iOS and Android devices that allows users to send images and videos 'snaps' to each other.

How does it work?

The receiver of the 'snap' can view it for up to 10 seconds (depending on what time the sender sets). After the allocated time the 'snap' will then 'dissolve'. If the receiver screenshots the snap the sender will be notified. Keep in mind there are ways around this ensuring that the sender doesn't get notified if a screen shot is taken, so keep in mind that nothing is private on Snapchat and everything is easily retrievable.

Concerns

Snapchat is the number one application used for 'sexting' or 'sending nudes' between underage people. Users must be mindful of the social and legal consequences of sending images like these. If the user is under 18 years old it is illegal for them to produce or possess these types of images. It is classed as child abuse images.

Child abuse pictures are illegal if they are:

- asked for;
- taken;
- received and kept; or
- sent, posted or passed around

These actions are a crime even if the picture is only of you, your boyfriend / girlfriend or someone else who says it's ok. Even if a picture is not child abuse material, asking for or sending a nude / sexy photo can be an indecent act and this is a crime. The maximum penalties for child abuse material can be up to 15 years in jail and being placed on the sex offender register. The maximum penalty for an act of indecency is 2 years in jail if the person in the picture is under 16. If the person is over 16, the maximum penalty is 18 months in jail. (http://www.lawstuff.org.au/nsw_law/topics/ Sexting)

Privacy

Privacy settings that are available within Snapchat are the ability to restrict who can send a user photos or videos, 'snaps'. This can be enabled by going into the Settings menu, select 'Who can send me snaps', then select 'My friends'. This will ensure only people the user knows will be able to connect with them via the application.

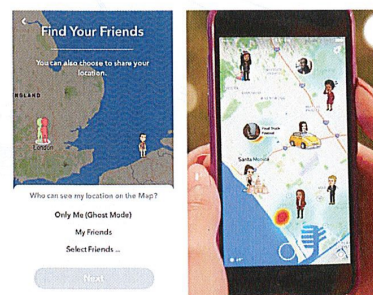

It is important to read the Snapchat privacy policy as it provides information about how the images and videos are stored and used. Users need to be aware that Snapchat has the right to reproduce, modify and republish photos and videos, and save them to the Snapchat servers, particularly in relation to the 'Live Story' feature.

Snap Map

The feature is designed to help friends meet up or attend events together. This could be abused by others or used to track users. It shows exactly where the user is at all times and exactly what they're doing i.e driving a car, reading listening to music etc. To hide your location from friends, you can turn on 'ghost mode' in Snap Map.

To do this, pinch the screen when you are in camera to bring up Snap Map. Click the settings icon in the top right hand corner and set the phone to 'ghost mode'. Then Snapchat will stop sharing your location.

Be mindful who are you sharing images with and always remember that everything on the internet is permanent. Make sure you are happy for potentially anyone to see your snaps.

Save the Date

Open Day/ Grandparent's Day

We warmly invite all grandparents, parents and friends to join us for our annual Education Week. It is a celebration of public education and the wonderful things that happen at Tallong Public School.

This year as part of our Open Day I would like to incorporate Grandparents Day on Thursday 8 August commencing at 9.30am.

We will also be having our book fair during Open Day.

A program will be issued closer to the date.
