

Tallong P.S.

A nurturing small school environment with caring and committed staff.

Dear Tallong families and friends,

This week our final term account will go home to families for Term 4. I would like to thank families for their contributions to our school and P&C.

On Friday 30 August we celebrated Father's Day with a bbq breakfast. It was great to see all the dads at school and being recognised for their contribution to their child's lives. On behalf of the P&C and Tallong Public School, I would like to thank Holcim for their support by donating the supplies and the use of their bbq.

Also thank you to Merino Lawns and Gardens for donating their time and expertise to clear and maintain parts of our school gardens. They have also made our Drive Thru safer by adding an entry/exit gate adjoining the cola.

TELL THEM FROM ME PARENT SURVEY

We are encouraging parents to participate in The Tell Them From Me Parent Survey. It is anonymous, voluntary, and easy-to-use. It is based on a comprehensive questionnaire covering parents' perceptions of their child's experiences at home and at school.

Insights into parent and staff communication, activities and practices at home, and parent voice on the school's support of learning and behaviour all build an accurate and timely picture that schools can use for practical improvements.

The link to complete the survey is <http://nsw.tellthemfromme.com/yj7d2>

KINDERGARTEN ENROLMENTS 2020

We are now taking enrolments for Kindergarten 2020. Please come into the office and speak with a member of staff or give us a call for further information. If you are planning to enrol a

Kindergarten child for next year, please come to the school office to complete the enrolment process by 27th September.

CHANGES TO ENROLMENT POLICY

The Department of Education has strengthened its enrolment policy regarding the enrolment of non-local students. Changes to the policy include schools having an enrolment cap based on their permanent classrooms. This cap will affect the schools ability to enrol non-local students. Parents enrolling children will now be asked to provide the 100 point residential address check to confirm they live within the schools designated intake area. Documents accepted for this check can be found at: <https://education.nsw.gov.au/public-schools/going-to-a-public-school/media/documents/Residential-address-check.pdf>

More information about the Department of Education's enrolment policy can be found at: <https://education.nsw.gov.au/public-schools/going-to-a-public-school/media/documents/changes-to-the-enrolment-policy-for-parents.pdf>

PARENT CODE OF ENQUIRY

From time to time parents and carers may need to speak to someone at school if they have a concern. A reminder that the classroom teacher should, where appropriate, always be spoken to first. You can contact the teacher via note, email or leave a message with the office for the teacher to make a suitable time to discuss the issue. Any issues or concerns that require further intervention or are of a whole school nature should be addressed to the principal.
