

Tallong P.S.

A nurturing small school environment with caring and committed staff.

Dear Tallong families and friends,

We are well in to the swing of things for Term 1 2020. We have had a busy start to the year with some great events occurring.

SWIMMING CARNIVAL

This year as Tallong has moved into the Goulburn Network of schools we had our first swimming carnival as a stand alone school, sharing the pool with Marulan Public School for increased numbers. It was a cool day but that didn't stop our students participating in the competitive and novelty events. It was a successful day with 13 of our students being offered a place in the district swimming carnival. The district swimming carnival is being held on Thursday 27 February at Goulburn Aquatic Centre. Notes for those students have been handed out today.

SCRIPTURE

Our Scripture classes started last week and are taught each Wednesday between 10:20-11am. We request that since the scripture program has commenced that no changes are made as it disrupts the flow and numbers in the program. Thank you for your understanding.

MEET THE TEACHER NIGHT

Our 'Meet the Teacher' evening is scheduled for tonight Thursday 20 February from 5pm-6pm to inform parents and carers about the class routines and school focus areas for 2020. We hope that you find these sessions valuable.

WELCOME AFTERNOON TEA

Thank you to the P&C for organising the welcome afternoon tea for new students, families and teachers. It was a great chance to meet more of the local community. I look forward to more community and P&C run events in the future.

TERM ACCOUNTS

Our Term 1 Account went home last week. We hope that this helps you budget for the term ahead. We will endeavour to have other Term Accounts out to parents by the end of Week 8 in the term prior. The due date for the Term 1 Account is set for Friday 13 March. Again, if there are any issues, please come and speak to me.

COMMUNICATION

Tallong Public School is able to be contacted through our school email or via telephone. If you wish to speak to a teacher, please contact the office or teacher to make a time with them. SEESAW is also available for communication with the teachers. In Term 1 we will have a 'Meet the Teacher' night and also parent teacher interviews.

Tallong will no longer be providing hard copies of the newsletter. Our newsletter will be available through our website and school APP (schoolstream).

Our website and school App is a way we communicate to our community and if you have any questions on how to utilise those services, please contact the school.

SPORTS CAPTAINS

Friday morning our Year 6 students will have the chance to give a speech in front of their sporting houses to demonstrate why they should be the sports house captain for their house. A voting process will follow, with the leaders to be announced at our Week 6 assembly.

WHOLE SCHOOL ASSEMBLY

Our next whole school assembly will be hosted by the Kooka class on Friday 6th March at 2.30pm. Future assemblies will be listed in our calendar of events section of the newsletter. Our assemblies will occur in Weeks 3, 6, 9 and 10.

I am pleased to confirm that our school will be participating in an exciting new research project on teacher professional development. The research is being undertaken by the University of Newcastle, commencing in Term 1, 2020. Children will be invited to participate in this project if their teacher is involved. Invitations will be sent out to relevant classes in due course.

Participating students will complete some surveys and assessments as part of their usual school activities. All names will be removed and only student numbers will be given to the research team so that they can link survey and assessment results with NAPLAN and school attendance data.

If you do not want the research team to have access to these data, you can opt-out on your child's behalf. For further information about the research, please visit the research website at www.newcastle.edu.au/QTR or call the research team on (02) 49854300.

P&C WORKING BEE

On Friday 6 March at 3pm Tallong Public P&C are having a working bee straight after the assembly. We are looking at tidying some of the gardens and planting some new plants. If you are interested, please contact the P&C to let them know you will attend. Bring along a some gardening tools to assist on the day. A BBQ will be provided.

Dear Parent/Guardian,

We will be holding the *School Fun Run's Crazy Colour Day* as a major fundraising event this year on **27th March**! We doing it to raise much needed money for **our playground upgrades**.

About the Day

The *Crazy Colour Day* is all about Fun! It will be a huge colourful mess and is undoubtedly one of the most exciting days on our school's calendar, with everyone's participation the aim, so please make sure they attend of the day and cheer the other kids on!

How Does My Child Fundraise?

Firstly, go to schoolfunrun.com.au and create a student profile page. Everything to do with your fundraising revolves around this page.

Students who raise just \$10 will be able to choose a prize! The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without adult supervision, and we encourage you to reiterate this at home. The great thing about online fundraising is that you can share the link to your child's profile with friends and family via email, SMS and Social media.

Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at schoolfunrun.com.au and share your online fundraising link.

Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *Crazy Colour Day*. If you would like to volunteer on the day, please contact me on the details below. I can't wait to see you at our event!

Ordering Prizes – ALL PRIZES MUST BE ORDERED ONLINE

Please contact your school's coordinator if this isn't possible.

Prizes MUST be ordered between the **6 April 2020**. Simply visit schoolfunrun.com.au to create / log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun-Run* team on 1800 FUN RUN and they will gladly assist!

Thank you & Good luck fundraising !

Highlands Football Club Academy 2020

The Highlands Football Family Pathway (Football Development Program)

The Academy is designed by Advanced Level FFA (Football Federation Australia) coaches working within the National Curriculum. The Academy will run for a 25-week period. Each session will incorporate technique development through individual & small sided practices. All coaches will be qualified under the FFA coaching accreditation scheme & also meet all child protection criteria as set by FNSW & the NSW Dept of Sport & Rec.

- The program focuses on improving individual and collective skills as well as developing decision making through a 'game centred' approach to the sessions.
- Players will be constantly monitored and reports collated to assist with their development progress which will also be supplied to the club for ongoing development purposes should they require them.
- We will select groups of players who perform consistently at training in the 25 week program to play in matches against and or train with our current SAP / Youth League where the coaches can assess their development against their own players.
- **MOST IMPORTANTLY** the players who participate in this program will train with like-minded players who are intrinsically motivated to improve their technique / decision making abilities.
